Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further. This means that £100 can be turned into £128 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing. So if you want your donation to go further, Gift Aid it.

Just tick the box, it's that simple. I understand that to qualify for Gift Aid, what I pay in income tax or capital gains tax must at least equal the amount the charity will claim in the tax year.
